**March 2020**

As the calendar turns to the month of March, I find myself in disbelief how quickly the school year seems to be flying by as we approach the end of the third 9 weeks. We've had a busy month of February with numerous school activities including last Thursday evening our 5th grade Living History Museum. If you are unfamiliar with the activity, our 5th graders research a Colonial character, dress like that character, perform a Colonial dance, and then recite information from their research to those in attendance. Thank you to everyone that was able to come support our 5th graders. They did an excellent job showing what knowledge they learned from this activity.

We have a lot of activities scheduled for the next couple of weeks, which are listed below. This week students can dress up for various activities to celebrate Dr. Seuss Read Across America. Days are tied to Dr. Seuss books or themes.

Spring Break is scheduled for March 16 - 20. School will resume on Monday, March 23rd. I hope everyone finds an opportunity to rest, relax, and recharge during Spring Break and we look forward to starting the last quarter of the 2019-20 school year.
