October 2017

On September 1st, Chisholm held our Boosterthon Fun Run, which was the school's fundraiser for the school year. The Fun Run was a culmination of the events over the course of the eight school days prior that were filled with character assemblies, pledged donations from our families, and numerous activities during the start of the school year. This week, we were able to announce that our school had raised \$44,989.33 from this year's fundraiser with about 99% of pledged donations collected. On behalf of our teachers, staff, and students, I wanted to thank everyone that donated pledges or volunteered time during this fundraiser. Your continued support of our school is greatly appreciated and will help us continue to add classroom materials, fund school activities, and support the overall learning of our students.

As we move into the Fall season with cooler weather and shorter days, our school has been busy with a variety of activities. Next week, the 2nd grade will present their program titled, "How to Make an Apple Pie, and See the World". The students and their teachers have been working hard to learn their songs and choreography and we are all excited to see the finished project. Last Friday, Chisholm held it's annual Family Fun Night, which was filled with numerous activities, beautiful weather, and a fun evening to socialize with other Chisholm families. Looking forward to a few weeks from now, parent-teacher conferences will be held on Thursday, October 12th, and Tuesday, October 17th. Both conference evenings will begin at 4:30 pm and end at 8:00 pm. Fall break will take place from October 19th through the 23rd. Towards the end of the month, our Story Book Parade will occur on October 27th, starting at 2:00 pm with refreshments in the classroom following the parade.

Overall, we have had a very successful start to the school year and a very busy September with an even busier October on the horizon. Everyone seems to be adjusting well to the pace of the school day. Students are learning new material daily and working on projects or activities associated with their grade level or subject matter. Thank you for your continued support as we move further into the school year. From fundraising, to volunteering time, or helping at home with assignments or program costumes, the support our students, staff, and school receives on a daily basis is greatly appreciated.

Mr. Higdon

Parent-Teacher Conferences will be held Thursday, October 12th and Tuesday, October 17th. Conferences are a great opportunity for you and your child's teacher to share insights and information about his/her progress since the school year began. You and your child's teacher want the very best for your child. You can help your child most by working together as a team. The teacher will share positive feedback as well as areas where your child may be struggling. Like all good conversations, parent-teacher conferences are most beneficial when both people talk and listen. Be prepared by thinking ahead about your child's strengths and challenges. Make a list and be ready to ask questions about ways you and the teacher can support your child in their education. Be sure to ask the most important questions first. The parent-teacher conference is all about your child, so don't forget to share with him/her what you learned after meeting with the teacher. Communication (in person, by phone, notes, email, text, etc.) is so important and works both ways. Find out what way works best for each of you. Stay in touch with your child's teacher and they will do the same. Enjoy your conference!

CHISHOLM

All Stars

Wow, October is already here!

Thanks to all of you who helped us to make this year's Boosterthon a huge success. We reached and surpassed our goal. Teachers are excited and already turning in their grant wishes. Also, an extra thank you to our sponsors - Embark Solutions, Jonathan Pillow MD at Oklahoma Otolaryngology, XPW LED Holiday Lighting, The Goddard School, Jividen & Company, Kumon, Psychological Services for Families, Ward Family Dentistry, Creative Escapes, and Leading Edge Lawns.

So great to see everyone at Family Fun Night.

Thank you so much to everyone who donated sweet treats for the cake walk. Everyone had such a great time and we had enough to play the entire time. Super fun bounce houses, photo booth, balloon maker, and wonderful food trucks.

Coming Events
