*May 2019*

It's almost hard to believe that we only have a few weeks left in the 18-19 school year. Then again, with so many activities going on at Chisholm, it's easy to lose track of the time.

We met the other day with the construction crew and it looks like they will be finished with the new wing sometime in early June. The challenges we've faced over the course of the year due to this construction will soon be replaced with additional classroom space, a shelter for our students, and a parking lot that will function and serve our needs much better with flow and a few additional parking spots. Thank you for your patience and understand with this project.

Of course there will be numerous activities in the various grade levels and specific information about those events should be coming home via emails or Thursday folders. I wanted to highlight some events that will take place between now and the end of the year.

This week, May 6th - 10th, Chisholm will be celebrating teacher appreciation week. We have activities planned throughout the week to recognize our talented and dedicated staff.

On Tuesday, May 7th, from 5:30p to 6:30p, Chisholm was presenting the Pre K/ Kindergarten orientation night in our cafeteria. We will have teachers and staff on hand to present and discuss a powerpoint to provide information and insight for their transition into the 2019-20 school year. This orientation is intended for parents only if possible.

This week our 5th grade will be presenting their program "ChargerTube" on Thursday, May 9th at 1:45p and again that evening at 7:00p. Their 3rd and final performance will be on Friday, May 10th at 9:00a. All performances will be in the cafeteria.

Looking ahead to May 16th, Chisholm will be hosting a reception for all the former Chargers graduating from high school this year. This annual event will start at 3:30p and will allow former students to celebrate their graduation with former teachers and tour the school. Charger Palooza is also scheduled for the evening of the 16th, weather permitting, on our playground from 5:30p to 7:30p.

Chisholm 5th Grade Recognition will take place on Wednesday, May 22nd at 9:00a.

Our last day of school will be Thursday, May 23rd.

Information on the Annual Online Registration was emailed out earlier this week to parents throughout the district. Please log into your parent portal, make any changes to existing information, which will update your child's enrollment information for next year.

As we wind down another school year, I want to thank you for partnering with us throughout the 2018-19 school year. From the volunteer efforts of our parents, school community, and PTO to the fundraising efforts early in the school year, the support we receive from our parents is vital to the success of our school. When you combine that support with a dedicated group of teachers and staff, we are able to provide an environment where the students can learn, develop skills, and grow as individuals.

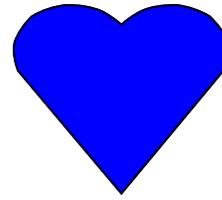

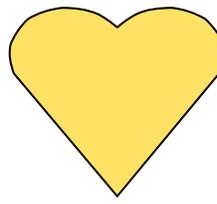

Thank you again for a great school year, and I hope that you have wonderful summer!
